6. Representative John W. McCormack (D., Mass.) had lunch at the Agency. He seemed most pleasant at the luncheon and discussed some of his old activities in connection with the Manhattan project and his early efforts in the field of fighting communism as far back as 1934 and 1935. He is to be supplied with a copy of the Mihoyan speech delivered after Mihoyan's return to Russia. The Kilgley Subcommittee was mentioned and Mr. McCormack indicated that this would probably relieve some of the pressure for a joint committee. He also gave his views generally on joint committees which were in the negative on the basis of practicality of meetings in conflict with other committee meetings.

7.  called and indicated a desire to have Congressman D. S. Sound (D., Calif.) come to the Agency on 7 April and participate in an OTR seminar, "Personal Effectiveness Abroad." OTR will conduct this seminar from 9:00 a.m. to 12:30 p.m. on the subject of cross-cultural behavior. They would like to have Congressman Sound express his views on the problems incurred by a foreign born individual in adjusting to the cultural and environment of this country.

A call was placed to Mr. Farrell, Congressman Sound's Administrative Assistant. Mr. Farrell had some doubt as to whether the Congressman would be available on this date in view of the Easter recess and other commitments. However, he will check with Judge Sound and let us know if he is available.

8. Miss Thelma Leach in the office of Senator Roman L. Brucka (R., MoBr.) called asking that the Senator be sent a map of Western Europe with particular emphasis on Berlin and also one that would be suitable for the Senator to use on a television program next week. These were secured from the Map Library and sent by courier to the Senator's office.

9. Miss Gertrude Cleary in the office of Senator Eugene A. McCarthy (D., Minn.) called to ask if the FBIS Daily Reports could be sent to a constituent of the Senator's in St. Paul, Minn. After explaining to Miss Cleary why these could not be forwarded to individuals, especially out of town, she said it might be that the Senator would request these later on to be sent to him. She understood the reasons given and said if the Senator did wish them later on she would be in touch with us.
